

# WEB SEMINAR REGISTRATION FORM

## Web Seminars on July 9

The web seminar fee allows an unlimited number of people from an organization to participate; however, this single registration fee only allows for one audio and web connection per site. If additional audio and web connections are desired, an additional site registration fee is required for each additional audio and web connection. There is a discount for additional sites. For the July 9 seminar, please select **\$450 for one site; \$785 for two sites; \$1010 for three sites; for four or more sites: \$1120 + \$110 for each additional site.**

If registering one day prior to the seminar or making a switch to a different web seminar date, a \$15.00 fee applies.

Refunds are limited to 80 percent of fee and must be applied for in writing **WITHIN THIRTY DAYS** after the scheduled seminar.
